---	--	---

Learning Objectives

After participating in the activity, learners should be better able to:

- Review the most recent updates to diabetes-related quality metrics.
- Examine the role of continuous monitoring in meeting diabetes quality metrics and improving patient outcomes.
- Evaluate data supporting the cost-effective use of advances in diabetes monitoring to improve patient outcomes.
- Assess diabetes monitoring utilization in practice via real-world patient case scenarios.

Accreditation and Credit Designation

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, this activity has been planned and implemented by American Academy of CME, Inc. and Cornerstone Medical Education. American Academy of CME, Inc. is Jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Pharmacists

This activity provides 1.5 ACPE contact hours (0.15 CEUs) of continuing education credit. Universal Activity Number JA4008191-9999-26-022-L04-P. Knowledge.

Other HCPs

Other members of the care team will receive a certificate of participation.

Target Audience

This activity has been designed to meet the educational needs of managed care pharmacists and other managed care professionals, all of whom help care for people living with diabetes through their role(s) as managed care clinicians.

Support

This activity is supported through an independent educational grant from Abbott Diabetes Care.

Disclosures

According to the disclosure policy of the Academy, all faculty, planning committee members, editors, managers and other individuals who are in a position to control content are required to disclose any relationships with any ineligible company(ies). The existence of these relationships is not viewed as implying bias or decreasing the value of the activity. Clinical content has been reviewed for fair balance and scientific objectivity, and all of the relevant financial relationships listed for these individuals have been mitigated.

Susan Cornell, PharmD, CDCES, FADCES (Planner/Faculty) discloses the following relevant financial information with ineligible companies: Advisory Board/Consultant: Novo Nordisk

Jane Seley, DNP, MPH, GNP, BC-ADM, CDCES, FADCES (Planner/Faculty) has no relevant relationships to disclose.

Curtis Triplitt, PharmD, FADCES (Faculty) discloses the following relevant financial information with ineligible companies: Speaker's Bureau: Novo Nordisk
